

I Am Telling Jesus . . .

- I am sorry for my sins and give my heart to You so You can give me power to live a new, obedient life.
- Dear Jesus, I have decided today that I will follow Your example and be baptized down underneath the water. I want to begin preparing to follow You in baptism.
- Jesus, I have been sprinkled before, but now that I understand how You were baptized, I want to be baptized down underneath the water like You were.
- Jesus, I have a problem that I need Your special help with. I am writing it on the line below.
